

## COMPLEXE SCOLAIRE LA RESTAURATION/KENGE

(Restauration Primary School In Kenge)

### STATUS OF NEEDS

"Complexe Scolaire la Restauration" is a Christian school that was inspired by the Lord to train children with Christian values.

This School was initiated to respond to a pressing educational need in the DR Congo in general and in the province of Kwango in particular.

In the city of Kenge our school is located on avenue: Kasa vubu, number: 26, commune of Mavula, Town of Kenge, Kwango province.

As the motto of our Church is : "Daring to save and help the whole man and his environment, And rebuilding old ruins" (Isaiah 58:12); we endeavor through our school to train elites capable of meeting the challenges of depravity of morals and generate leadership with renewed intelligence.
